Business, But Better

Step away from the office and bring your people together

Not every business occasion belongs in a boardroom. Sometimes a change of surroundings is exactly what's needed to bring people together, start a conversation or simply recognise a job well done.

The Royal Oak offers a relaxed and welcoming setting for local businesses looking to meet, dine, connect or celebrate away from the usual working environment.

From informal meetings and business lunches to team gatherings, networking opportunities and staff celebrations, our team can work with you to understand what you're planning and help create an occasion that suits your requirements.

Combine comfortable surroundings with great food, refreshments and genuine hospitality, and business can feel a little less like business.

"Sometimes the best business conversations happen away from the office."

Business Lunches

Take the conversation away from the desk and enjoy good food in relaxed surroundings.

Team Gatherings

Bring colleagues together to reconnect, recognise achievements or simply spend some quality time as a team.

Networking

Create an approachable environment for local professionals, organisations and businesses to meet and build relationships.

Staff Celebrations

From company milestones to Christmas gatherings and team achievements, give everyone a reason to celebrate together.

Client Entertaining

Meet clients somewhere welcoming and relaxed, with food, drinks and hospitality taken care of.
